--

We will be providing complementary food for our vendors from our partner **PrepEaze** -- if you have any dietary restrictions, please let us know in advance so we can be sure to accommodate.

Linens and Tables will be made available. But if you would like to bring your own branded linens, feel free. Each vendor will be provided a 6' display table and a 6' prep table.

Volunteers - If you specified that you need volunteers on the Vendor Form, we will assign you one(or more). If you don't remember what you put on the form and determine that you need a volunteer (or more), please let us know, and we will make sure to get you some help.

Raffle Prizes: Please bring raffle prizes to the event check in. We will make sure to get it to the non-profit charity partner. Please bring it directly to the raffle prize table at Berry Good Food Foundation (Table #7).

If you would like **tickets** for marketing purposes -- social media giveaway or traditional media -- please contact us at liquidcitysd@gmail.com and we will gladly oblige.

Notes about **cheese storage**

On Saturday, there are a few options:

- 1) Bring it yourself
- 2) Get it to San Diego beforehand via direct shipment to Venissimo North Park or through distribution. From there, we will bring the cheese to AleSmith and have it waiting for you at Makers Night.

We will have a refrigerated truck on SATURDAY EVENING where you can store your cheese for Sunday's Expo. Cheese and other perishables can remain in the truck throughout the Sunday event.

If you have any further questions, please do not hesitate to call or email us!

See you at Makers Night!
